

Global Expertise
Trusted Standards
Improved Health

July 8, 2015

Certificate of Appreciation

United States Pharmacopeia (USP) would like to recognize the efforts of **SIO – ADM France** in providing candidate reference standards and/or monographs that reached important milestones in **2014**. Specifically, we acknowledge the following reference standards that were released as new USP lots in **2014** and/or monographs that became publication ready for Pharmacopeial Forum in **2014**.

Monographs OLIVE OIL SOYBEAN OIL

Please accept the Certificate of Appreciation that accompanies this letter on our behalf as acknowledgment of the outstanding contribution that **SIO – ADM France** has made toward global public health through the advancement of USP standards.

USP would also like to recognize the valued support of the following individuals:

Lydie Bout, Analytical Manager, SIO – ADM France
Bernard Prilleux, Scientific Director, SIO – ADM France

If we have inadvertently failed to mention any other contributors, please accept our apologies and forward our thanks to all who have helped the advancement of needed public standards. It would be our pleasure to work with you in 2015 and beyond in development of other important health care standards.

Sincerely,

Ronald T. Piervincenzi, Ph.D.
Chief Executive Officer
